

NEW COAL FIELD IN CRAIG COUNTY

Ten Thousand Acres Taken
Up by Muskogee
Corporation

ON CHEROKEE LEASES

Frisco to Run Spur From
Vinita to Promising
Mine Territory

Special to The World.
JAY, Nov. 1.—The Hartford Valley Coal corporation, with headquarters at Muskogee, has announced here through its representative, R. M. Eyster of Muskogee, that a new coal field will be opened in Craig county in the near future. The field is located in Township 22 and Range 12, northwest of Vinita about 12 miles.

The corporation has more than 10,000 acres leased up, a great many leases being taken from bull-blood Cherokees upon the approval of the Indian department at Muskogee. Many of the Cherokees who live in Delaware county, and several leases have been taken from them this week.

The leases run for 15 years. A nominal payment of \$10 is paid the lessee at the time the lease is taken, then as soon as the lease is approved by the department, 15 cents an acre is paid the Indian through the department. 35 cents is paid the second year, if no mines are opened. When coal is found, the lease is given 5 cents a ton for all coal mined, which will mean about \$240 an acre, if the seam is three feet thick.

Several prospective holes have been drilled over the leased territory, so that the company feels certain that there is abundant coal in abundance at a shallow depth, and in paying quantities. The coal seam is not less than two feet thick and some of it as great as three feet, at a depth not exceeding 400 feet.

The corporation is ready to begin operations as soon as it is assured by the railroad officials that a railroad will be put through the leased territory. The Frisco will run a spur from Vinita as soon as it thinks the territory leased is sufficient to warrant such an investment. The railroad wants a guarantee there will be as much as 20,000,000 tons of coal to mine.

It is probable that the new field will soon outstrip the fields of Kansas and Oklahoma, with the soft coal being mined. These latter fields are being exhausted and are growing weaker, and this gives encouragement to the officials of the corporation opening up the new Craig county field.

State Briefs

Hammer's Son in Shooting.
ALBANY.—The name of Hammer was brought into court records again when Young Hammer, 20-year-old son of Ira Hammer, killed by his wife and daughter when he returned from the shooting of Tom Ward, who had been arrested from the county jail on the charge of being implicated in Hammer's death. Ward was taken to a hospital and died Nov. 1. Young Hammer claimed that Ward was the cause of his father being killed.

Crazy Negro Runs Amuck.
MALESTER.—Great excitement was caused in Hallettsville Sunday evening when a negro ran amuck and tried to assassinate the wife and son of Joe McMurry, who had been lifetime benefactors of the assailant. In the attempt of others to frustrate his plans, Albert Miller, 50-year-old negro, was shot and killed by Bill Thunderburg, railway brakeman, who was one of the posse that came to the aid of Mrs. McMurry.

Completes Drainage Ditch.
DURANT.—A drainage project covering 50 acres of land near the middle of a 40-acre block in Blue river, Bryan county, has been completed by W. B. Givens, an Indian farmer, according to the report of the county agent. The ditch is 300 yards long and 20 feet deep, and the entire lake is to be put under cultivation next year.

Awakened By Burning Bed.
MALESTER.—E. W. Prince of Canadian, who was occupying a room in the Doss hotel Sunday night, had a narrow escape from incineration when he went to sleep after dropping a cigarette on the bed. The room and contents were damaged, but the fire was put out without further damage. Prince was seriously injured in attempting to kick his way out of the room by the window with his bare foot, resulting in a serious loss of blood, but is recovering at the hospital.

Caught Two and Lost One.
MALESTER.—Everett Salia is said to have escaped from the officers by jumping from the train window near Weatherford, about thirty miles from Fort Worth, Saturday. Sheriff Sanders and Chief of Police Peters returned Saturday night from El Paso, where they went after the two, Elmer and Everett Salia, who were charged with the robbery of a motor establishment here several months ago, who had been hiding back and the search for Everett will have to be renewed.

Verdict for Manslaughter.
HUGO.—After being out about seven hours, the jury in the case of Jim Cuthaw, charged with the murder of Constable G. W. Adair in Bow-well some six weeks ago, Thursday night returned a verdict of first degree manslaughter and assessed his punishment at four years in the penitentiary.

Beat Hijackers' Game.
NOWATA.—Mr. and Mrs. W. W. Warner and John Caldwell had an exciting time Sunday night when returning from Bartlesville. About six miles west of here they were stretched across the culvert, and two men appeared with the usual command to "liek 'em up." Instead of obeying, Mr. Warner stepped on the gas and rushed the passage, breaking the rope and speeding homeward. Nothing more was seen of the hold-

ups, although the sheriff was on the scene in a short time.

Bond Impediment Removed.
OKMULGEE.—With the dismissal of the contest between ex-Sheriff Tucker and deposed Sheriff Lon Kahn an impediment is removed from the consideration of the \$100,000 bond issue voted for a library. If there is no further interruption, work on the structure will begin in the next few weeks. The only remaining question is the approval of the bonds by the attorney-general, and there is no uneasiness on this point.

Murder Trial at Pawhuska.
PAWUSKA.—R. F. Knighten, local grocer, went on trial here Monday charged with the death of W. T. Thomas, a negro, who was shot and killed May 28 of last year. According to the authorities Knighten declared he shot the negro after he had insulted his wife.

Fund Transfer Questioned.
PITTSBURGH.—The transfer of \$11,750 from the surplus of the county sinking fund to the state highway construction fund for the use of aiding in the construction of the New-castle bridge across the South Canadian river, has been held up on an appeal to the district court as to the legality of this kind of transfer.

Band Boys to Get Suits.
CHANDLER.—The band boys are expecting to march out soon in new uniforms, the chamber of commerce having decided they are entitled to dress up. A committee was appointed to raise the necessary funds. It was announced that in return the band would play weekly concerts.

Bridge on Meridian Highway.
KINGFISHER.—The old bridge across Kingfisher creek on the Meridian highway has been torn down, causing the traveling public to detour one-half mile west. This bridge is to be replaced by a concrete structure at an estimated cost of \$50,000.

Broken Arrow Briefs

In spite of the inclement weather Saturday evening the Halloween carnival given by the members of the Ruth Bible class of the Sunday school of the M. E. church, South, drew a fair sized crowd and furnished a most pleasing evening's entertainment and netted the promoters over \$40 to be used in their Sunday school work.

Broken Arrow high school football team added another victory to its list in last Friday's game with the Kendall team of Tulsa, the score standing 7 to 0. The next game in the schedule of the local team is with Collinsville, November 4.

The wedding of Miss Julia Pennington to Mr. Floyd J. Powell of Tulsa was solemnized at the bride's home on South Main street at high noon Sunday, the Rev. L. D. Corning, pastor of the First M. E. church, officiating. The bride is a daughter of Mr. and Mrs. J. M. Pennington, pioneer residents of Broken Arrow, and one of the most popular young ladies of Broken Arrow, having recently won an automobile given away by a local newspaper in a popular girl voting contest. Mr. Powell is one of the courthouse attaches in Tulsa, in which city the couple will reside.

Inclement weather was given as the probable cause for a slight drop in the Broken Arrow Sunday school attendance Sunday. The M. E. church, South still retained the lead with an attendance of 105. Other churches reported as follows: First M. E., 90; Presbyterian, 66; Christian, 61; Baptist, 42; Assembly of God, 35.

The first cars on the newly established motor bus line between Tulsa and Broken Arrow were put in operation Saturday, giving a 4-hour service between the two cities. After a few days of experimental operation on this schedule a more frequent service may be announced according to the announcement of the transportation company officials.

Muster in Guard Unit.
KINGFISHER, Nov. 1.—Adjutant General Barrett was here Friday night for the purpose of mustering into service Kingfisher's newly organized National Guard unit. This unit will consist of both cavalry and infantry.

Everyone has heard of the apparent wonders performed by yeast in restoring thin, sickly, rundown people to health. And now it is found that even more surprising results are brought when yeast is taken with iron, the great blood-builder.

People who for years were weak, pale, anemic, and all rundown are regaining their strength and health when they begin to take this remarkably effective combination of tonics. And the best of it is that you can take it in pleasant tablet form—no need to eat yeast cakes, which are so disagreeable to many.

The preparation in which these two great health builders have been combined is known as Ironized Yeast. This contains highly concentrated brewer's yeast which is far more effective than ordinary baker's yeast because it is richer in vitamins. It also contains iron, the most important element which science has found to be so absolutely essential to health. Due to modern methods of food preparation vitamins are lacking in most of our common food—this is why so many of us become sickly and run down.

If you are suffering from lack of strength, if you frequently become exhausted, if your food has no taste for you, or if you feel irritable, nervous, pale, or generally run down, then try this remarkable new tonic.

Treated Yeast will in most cases bring a decided improvement within three days. It will soothe and clear up skin eruptions, complexions within 10 days. From everywhere come enthusiastic reports of what it is doing for people.

It is packed in patented foil-wrapped packages and will keep indefinitely. Its cost is no more per dose than common yeast. Each package contains 10 days' treatment and costs only \$1.00 or just \$1.00 a day. Special directions for children in each package. Ironized Yeast Company, Atlanta, Ga.—Advt.
